

MEDICINE CABINETS

Models 735M34WH, 735M34WHG, & 768M34WH are being replaced with:
735P34WH, 735P34WHG, & 768P34WH

The new models come with steel welded bodies. Older models included plastic bodies, but are now being made with steel.

Each model features a frameless mirror. 735P34WH & 735P34WHG are offered with polished edge mirrors, and 768P34WH is offered with a beveled edge mirror.

Model 735P34WH & 768P34WH come with steel shelves and model 735P34WHG comes with glass shelves.

All models are size 12X36; giving a slender, taller cabinet option for a quality look.

The steel body is treated with an iron phosphate coating then electroplated with a white acrylic for complete rust prevention.

This is a recessed mount cabinet, and can be installed to allow the door to swing either to the left or to the right.
